

Eco-conscious solutions for unforgettable experiences.

organic

Items produced without the use of chemicals, fertilizers, pesticides, or other artificial agents.

Organic materials are produced sustainably using eco-friendly practices that conserve water and protect ecosystems.

Products shown left to right: Organic Cotton Bevl™ Lanyard, Bulldog Clip, CLBEVL0BC; 4 x More™ Eco Paper Pass, YNEP14R44PA; Organic Cotton Lanyard, Double Bulldog, CLOCDB.

Organic Cotton Bevl Lanyard

Choose a lanyard that's hypoallergenic and breathable.

Eco Paper Pass

Minimize environmental impact by using a badge constructed of natural fibers.

Organic Cotton Lanyard

Pair badges and holders with a versatile lanyard that's soft and sustainable.

biodegradable

A product or substance that can decompose naturally by bacteria or living organisms, leaving less waste.

Biodegradable products are made from renewable or all-natural plant materials and are the perfect alternative to non-biodegradable products that can take hundreds of years to break down.

Products shown left to right: Premium Cotton Lanyard, CLBMB0C; 4 1/4" x 6" Eco Event Badge, YNEB30R46E; 4" x 3" Biodegradable PVC Holder, HBNLG.

Premium Cotton Lanyard

Pick this hypoallergenic, soft to the touch lanyard made from 100% biodegradable tubular cotton fabric.

Eco Event Badge

Reduce your impact with an event badge that will 100% biodegrade within 5 years of disposal.

Biodegradable PVC Holder

Opt for a durable, fully biodegradable holder that leaves no trace in under 5 years.

recyclable

An object or material that can be broken down, processed, and reused for another purpose.

Recycling reduces greenhouse gas emissions, saves material, and reduces energy usage while preventing the waste of valuable materials that would otherwise end up in landfills.

Products shown left to right: 3 5/8" x 5 1/2" Vertical Preferred Vinyl Holder, HVVME; OneWay Slide™ Large Organizer, ONEWAYSL4; 4" x 3" Plastic Recyclable Eco Pass, YNEP14R43PL.

Vinyl Badge Holders

Made of a functional plastic that can be repurposed into new vinyl products post-use.

OneWay® Slide Name Badge Organizer

Improve efficiency while reducing waste with this recyclable name badge display made from plant-based materials.

Recyclable Plastic Eco Pass

Ensure proper recycling post-event when you add the #7 recycling symbol to your pass.

upcycled

An object or material that has already been processed and reused for another purpose.

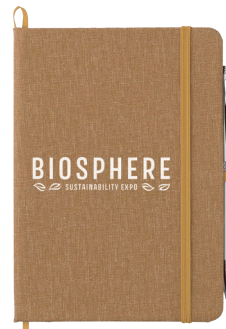

Help your team adopt a "reduce, reuse, recycle" mindset by offering products made from recycled materials or that are able to be reused multiple times.

Products shown left to right: Eco Neck Wallet, CPTMPLECO; 5" x 7" Recycled Cotton Bound Notebook, P095M3556; Recycled Lanyard, Black Metal Bulldog Clip, CLRECBMBC.

Eco Neck Wallet

Make an impression with this 100% recycled PETE neck wallet that features degradable clear front and back pockets for displaying name tags and agendas.

5" x 7" Recycled Cotton Bound Notebook

Dot down notes in this brandable journal made from earth-friendly material.

Recycled Lanyard

Create an eco-inspired brand story with this full-color lanyard made from 20 recycled plastic bottles.
